Giving Thanks and Reaching Out

District Governor JoAnn Steinfort

This is the holiday season of being thankful and reaching out to others. After having traveled about District 6W, I am thankful for so many things and so many people.

I start by thanking the many Lions for their efforts in keeping their clubs and our district moving onward and upward. It has been such great pleasure and an encouragement for me to review and visit all the clubs. Other things I have noted and am thankful for:

- Lions who displayed wonderful hospitality in welcoming Lion Paul and me at your meetings and club activities.
- We have 100% of our club officers reporting activities, many now without the help of Lion Paul as Service Chair.
- The celebration of anniversaries, namely Grand Junction, Glenwood Springs, and Delta clubs this year with 100 years of service & Cortez with 80 years. There are a few more clubs with anniversaries standing “off stage.”
- All our clubs having met in person at least once since July 1.
- The Clifton and Montrose Lions helping host the Cabinet Meetings.
- Lions who are adding new members to our Lions Pride.
- Lion Webmaster Whitney updating our online presence.
- For the Montrose Lions Club which became the newest LCIF Model Club in our district.
- For Lions who stepped into a role with no real idea what it entailed but are willing to do what they can.
- Lions who had a successful club project they tried for the first time or revised an old familiar one.
- Lion Immediate Past District Governor Paul Steinfort for his advising me and serving as travel coordinator and driver for our many trips.
- For God’s blessing on our Lions who are willing to serve despite their struggle with personal health issues and family burdens. It is okay if you take a nap.

As we move through this season of thanksgiving, what are you thankful for? How do you plan to reach out to others: With warm socks or a blanket for the needy, a plate of cookies, ringing a Salvation Army bell, pet sitting, or simply checking in on someone?

May you all have a blessed and safe holiday season!!

CELEBRATING 100 YEARS OF SERVICE

GRAND JUNCTION 100TH ANNIVERSARY

The 10/28 celebration was at the Hospitality Suite of Stocker Stadium and highlighted the services of the club to the community over the years, with \$8 million being share with the community.

DG JoAnn spoke briefly and presented a gift to club leaders left (L-R): Brad McCloud, Shawna Grieger, Angela Wetzell, DG JoAnn, Dan Sites.

Heavy appetizers to the left—the grandfather of the woman in line was a charter member of the club. Below, some of the community members attending, all of whom have had their lives improved by the efforts of the Grand Junction Lions Club

CANON CITY (6SE) 100TH ANNIVERSARY

This 11/13 celebration was held at the VFW Hall. It was a great turnout of Lions from all over the state—including all 4 district governors.

Left L-R: DG JoAnn Steinfort (6W), IPDG Paul Steinfort, DG Ted Peterson (6C), Carol Young, former long-time 6W Lion

Right: Keynote speaker was Past International President Joe Preston of Arizona. A great silent auction was also a highlight of the night.

6W WEBMASTER AND MARKETING NEWS

Whitney Smythe-Smith here, your District Marketing Chair. Exciting news regarding our social media and online presence as a District. First, our **new social media page on Facebook, Western Colorado Lions- 6W, went live on November 1st**. In our first six days, our page had already received 110 likes and we anticipate that it will continue to grow. If you have a Facebook account, please take a moment and like our new Page. Additionally, please **share this information with other Lions who might not be receiving this newsletter but are on social media**. Let's help our fellow Lions receive this great new content.

Our Western Colorado Lions Group on Facebook is still up and running. You are still encouraged to share your Lions news in that space and interact with your fellow Lions as you have in the past. Our Facebook Page will post great information and news about International, Regional, State, and District Lions programs and initiatives. **Think of this new Facebook Page as the District Lions News Network.** If any of the information on the Western Colorado Lions- 6W page is of value to your club, please feel free to share/use the content for your Club social media accounts.

At the October Cabinet Meeting, the Cabinet approved the expense **for a new 6W Lions Website**. You've made suggestions and we've listened! We are working diligently on the processes to convert the page webhost, format, and content to reflect what we've heard Lions across the District ask for from the 6W page. The new page will formally launch January 1, 2022; though much of the content will become live as it is built and seated onto the new page throughout the remainder of this calendar year.

If there is something you would like to see out on the District Website, you have questions about the District social media, or your own Club's online presence, please feel free to reach out to me at ceo@thegalliumgroup.com or give me a buzz at 970-270-2353. As your District Marketing Chair, I'm here to help not only the District, but the Clubs, spread awareness of Lions and help maximize our exposure throughout the communities 6W serves.

BEING THANKFUL

Lynne Snowden, 6W Vision Chair

While it's easy to take off on this subject at this time of year, I want to encourage, challenge you to try something. Perhaps some of you already do this, but take it a step further. I'll go into this more at the end.

Gratitude is a beautiful gift that has a far-reaching impact... like a stone tossed into a lake. You see the ripples up close but you most likely won't see them hit the shore across from you. The ripples return unnoticeable, but they're there.

In the same way, the work you do as a Lion, has a far-reaching impact. You won't always hear or see the gratitude, but know that the work you're doing is greatly appreciated by many!

Back to the challenge: make a concentrated effort to express gratitude. This can take many forms - a personal thank you note; a phone call out of the blue; a warm handshake or a hug and "I appreciate you!". Tell the cashier, clerk, waitstaff you appreciate the work they do. If you see someone with a great smile, tell them thank you for sharing it! Seriously! Step back and see faces and attitudes change.

Lastly, in today's craziness of all kinds, keep doing the things you do as a Lion - **YOU ARE MAKING A DIFFERENCE!** You may not always see how or see the results, you are! May you have a blessed sweet THANKSGIVING!

LEADERSHIP MATTERS

YOUR IMPACT IS NEEDED

We urge you to step up and make an impact as a volunteer leader with the Lions of 6W. Not only will clubs be needing new voices/ideas, but our district is in real need of more leaders. We need to fill the following positions of leadership at our district convention April 30. AND we need a district convention site for 2023.

Even if you seek to repeat your position, please notify DG JoAnn Steinfort (jostein46@gmail.com) and 1st VDG Dave McIlroy (mcilroy971@gmail.com) of your interest as soon as possible. Unless there are term limits, you can “run” again.

- 1st Vice District Governor
- 2nd Vice District Governor
- Cabinet Secretary
- Cabinet Treasurer
- Colorado Lions Foundation (2022-25 term)
- Colorado Lions Camp (2022-25 term)
- Colorado KidSight (finish 2021-24 term)
- Rocky Mtn. Lions Eye Bank (MD At-Large 2022-25)
- Rocky Mtn. Lions Eye Institute Foundation (2022-5 term)
- Schuyler Scholarship (2 year terms)
- Zone and Region Chairs
- District Activity/Admin. Chairs (see directory)

Speak to current position holders for information on what is entailed.

SUCCESSFUL FALL FORUM/CABINET MEETING

“Leaves of Change” was the theme of the October 30 Fall Forum/Cabinet Meeting at the Montrose Club House. DG JoAnn encouraged Lions to come in attire representing their favorite fall activity. She herself appeared as **Fallina, Queen of the Valley of Change.** (rt)

The excellent attendance is on display below. The DG began the day challenging attendees to consider areas they would be willing to change in their Lions lives.

Following a Zoom presentation by Camp Director Erin Newport (left), Montrose President and camp trustee Sheryl Clapton presented \$2400 for 4 camp scholarships to Whitney Smythe-Smith (other camp director).

Then, after the LCIF presentation, Lion Sheryl presented a check for \$3600 to LCIF co-coordinators IPDG Paul Steinfort and PCC Lance Balding to become our 2nd LCIF Campaign 100 Model Club, representing a pledge or gift of \$500 per member.

Thanks to the hospitality and soup luncheon provided by Montrose Lions Club; to the efforts of Whitney Smythe-Smith in rolling out our new district website and FB page; to the generosity of Lions in raising LCIF funds through our drawing and silent auction; and to the foresight of the cabinet in investing excess district funds with CLF..

KidSight Colorado and Colorado Gives Day - Dec 7, 2021 Fraser River Valley Lions Will Match Donations Up to \$5,000!

24 Hours to Give Where You Live!

Support the Colorado Lions KidSight Program for Colorado Gives Day! Your contribution to KidSight Colorado for Colorado Gives Day will help us meet our goal of raising \$5,000 and the Fraser River Valley Lions will then match that amount. This will allow us to screen and conduct follow-up for up to 5,000 children. You can make a donation by going to our website www.kidsightcolorado.org and clicking at the bottom of the home page to make a donation or you can send in a check to KidSight Colorado at the address below.

This year you will not find us on the Colorado Gives Day website - we are trying something new! Donations can be made beginning November 15 on our website at the bottom of the Home page. Mail in donations can be done anytime through December 31. Your donations help us to identify children in Colorado with vision problems and follow-up to make sure children receive the vision care they need.

Please Welcome our New KidSight Staff Member - Steve Welte!

Steve joined the KidSight Colorado staff in September. He is a Lion and a member of the Adams Centennial Lions Club. Steve works on vision screening and data entry. We were sad to see Michelle Ramsay, our previous staff member, move to Texas but Steve has been a wonderful addition to our KidSight program.

It Is Time For Holiday Shopping!

Are you a hard core Amazon shopper, especially during the holidays? Join the Amazon Smile program and designate KidSight Colorado as your organization for donations. Go to AmazonSmile.com for information on how to sign up. Do you buy just about everything online? **There is a great way to get your holiday shopping done and give to KidSight Colorado without spending any extra money!** As you make your online purchases you can log in to a website called iGive.com and shop at participating online retailers. Companies donate a portion of your purchase simply because you purchased online with them through iGive. It doesn't cost you anything to participate in the program and KidSight benefits from your purchases. If you need more information about this program you can go to the iGive.com website or call me for additional information.

Do you want to "double dip" with your Amazon purchases? Sign up for Amazon Smile and then shop at Amazon via the iGive website. We receive a donation from Amazon Smile AND iGive!

Best wishes to our Lions Family for a very Happy Thanksgiving from the KidSight Colorado staff, Holly, Kristine and Steve!

COLORADO LIONS CAMP INFORMATION NOVEMBER 2021

2020-2021 Respite Weekends Thursday to Sunday.

Colorado Lions Camp provides respite weekends for campers to get back out to camp and enjoy the activities provided to them, tie-dye, campfire, talent show, cooking, and crafts. It also provides a break for the family/caregivers and time with other family members. We provided 18 weekends from the Fall of 2020 to the Spring of 2021. These respites operated one day longer, making them feel a little more like a typical week of summer camp. 144 campers attended these weekends, the breakdown of the campers for our respite weekends was:

6C-10 6NE-5 6SE-119 6W-10

2021 Camp Season-

We held 9 sessions running from Sunday to Friday (June 6 th-August 13th). During our camp sessions, we do weekly themes some of the campers will bring costumes to match the theme

We had 169 campers attend summer camp 2021. We ran at 50% capacity following our camp guidelines set in place by the American Camp Association. During the summer we also undergo 4 inspections (Fire Dept, Teller County Health, Colorado Dept of Childcare, and American Camp Association) all four of these are current and up to date. The breakdown of the campers that attended summer 2021:

6C-57 6NE-14 6SE-80 6W-13 Out of State-5 (1 Montana, 4 Texas)

New Campers-14 for summer 2021

Summer 2022 applications have been sent out to our families/caregivers and have the Youth Exchange week set up for 2022 as well. **2021-2022 CLC is hosting 5 respite weekends** this year and all of them are at full capacity. We had our Halloween themed one last month and next weekend will be hosting our Friendsgiving Weekend for our campers.

Our rental season is back up and running and we have hosted 3 groups so far this year and are starting to have groups book in the spring. **We have our annual workday scheduled for Saturday, May 7th.** Come out to see the camp, meet the staff, and help get things ready for the summer. Lunch will be served.

Colorado Gives Day is Tuesday, December 7th one of our bigger days to raise money for camp, so watch our website and Facebook for updates and the link.

Also, our PO Box address doesn't exist anymore, it all comes to our physical address 28541 Hwy 67N

DIABETES AWARENESS

Clubs have apparently not organized a Strides Event to promote Diabetes Awareness this November, or held Diabetes Awareness events. But here is a tool you can use to offer a Risk Assessment for Type 2 Diabetes as a service to your community through your FB page or other means. If we can increase our efforts, we can make a difference against Diabetes.

PEACE POSTER CONTEST

Winner of the 6W Peace Poster Contest for this year is Laila Waldow, Age 11, Grade 5, Fraser Elementary, Fraser CO. Congrats to Laila and FRVLC's chair Ingrid Karlstrom!

With number of entries down, DG JoAnn is asking why more clubs aren't participating. Please contact her at jostein46@gmail.com with your perspectives.

MEMBERSHIP MATTERS

R 2 D 1

R2D1 is not a science fiction robot. It is an important reminder to RECRUIT 2 for every 1 DROP. Recruiting is down, but fortunately for our ability to serve, so are drops.

Drops often increase at this time of year. Hopefully your club officers and sponsors have been working with members to get dues in (if you bill in the winter) and to keep them engaged. And if you have a member or two whose dues are an issue because of the economic hit, there is a little district money to help out; contact DG JoAnn at jostein46@gmail.com to apply.

As of Thanksgiving, District 6W is at a +10 in net membership. Great job, Lions!! So far, we have 12 clubs with a net increase (only 4 all last year). Job well done to

Bayfield	Fraser River Valley
Glenwood Springs	Grand Junction
Hayden	Jackson County
Leadville	New Castle
Orchard Mesa	Redlands
Rifle	Surface Cr. Valley

And let's recognize our sponsors since October 1:

- Brad McCloud** sponsored 3 into Grand Junction
- Hannah Manley** sponsored 2 into Grand Junction
- Andrew Weber** sponsored 1 into Grand Junction
- Tom Elder** sponsored 1 into New Castle
- John Oulund** sponsored 1 into New Castle
- Paul Steinfort** sponsored 2 into Rifle
- Melanie Leaverton** sponsored 2 into Jackson Cty
- Rex Shaw** sponsored 1 into Jackson County

Because cost is too often a deterrent to getting new members, here are some points to consider:

1. LCI has extended the "No Entrance Fee" policy again, now good through June 2022. Please don't pass on a non-existent fee to a recruit.
2. State/District Dues are only charged to your club for members that are on your roles December 31 and June 30. So why not adjust your new members' first dues statement to exclude everything except the \$3.58 per month that LCI will bill you (\$1.79 family member)? Plus any pro-rated club portion if you need.
3. Bill members at least 60 days prior to December 31 or June 30 so you have plenty of time to work on collecting without a member getting into a "non-payment of dues" category.

Now, let's work at least as hard to keep our members engaged and satisfied and in the club as we did in recruiting them. More on Member Satisfaction to come in newsletters and at our February 5 Winter Fest.

Recognizing Sponsors

If you'd like to show your sponsors and new members in the newsletter, rather than just have them listed, please keep them coming to your DG or your newsletter editor. In the photos we will identify the new members in the past 6+ weeks, (holding certificates), L-R.. (Note that so many of our new members are much younger!!!)

GRAND JUNCTION:

CLUB NEWS

COLORADO GRAND COMES TO DISTRICT 6W AGAIN

Website: [The Colorado Grand – Annual classic car charity tour](http://TheColoradoGrand.com)
(co1000.com)

The Colorado Grand® is an annual charity tour for 1960 and earlier sports and race cars of distinction. The event was founded in 1989 by Englewood automotive enthusiast Bob Sutherland. Every September at the peak of the fall color season approximately 85 vintage cars are driven in this relaxed, non-competitive event, covering 1,000 miles through the Rockies in five days. The event is run with the cooperation of the Colorado State Patrol and spectators are invited to see the cars and meet their owners.

The tour attracts entrants from around the world and always includes several 1920's and 1930's cars. Typical makes include Mercedes-Benz, Ferrari, Porsche, Bugatti, Alfa Romeo, Bentley, Aston Martin, Jaguar, Maserati, Allard, and such exotic names as Amilcar, Cisitalia, Squire, Delahaye, and Talbot-Lago.

The Colorado Grand® currently generates well over \$500,000 annually for small Colorado charities and Western Slope towns as well as college scholarships to graduating high-school seniors in those towns. Current charities include the Colorado State Patrol Family Foundation, the Robert Sutherland Foundation, Flight for Life, CASA, and medical facilities in small towns. Cumulative donations since 1989 are over \$7.2 million.

Major sponsors include Mercedes-Benz USA, Hagerty Insurance, WeatherTech, RM Sotheby's, Passport Transport and Premier Financial Services.

MEEKER AND JACKSON COUNTY LIONS HOST THE COLORADO GRAND IN SEPTEMBER

Jackson County and Meeker Lions received \$14,000 from The Colorado Grand to benefit local charities, plus \$8,500 for a scholarship for a local student, for their work in hosting and feeding over 250 drivers and support.

Above: some of the cars lining Walden Streets. Right, the Lions award a plaque of appreciation to Jenny Blevins, owner of the Stockman's Bar, for her generosity in helping host the event. The Colorado Grand then went on to Meeker.

Left is the crowd at Meeker Town Square, with two other pictures of a couple of the unique classic cars.

In the photo left are L-R Lion Anthony Mazzola (RBC Sheriff), President of Colorado Grand, Lion President Brett Dearman, and Margie Joy (representing Hope West, one of the local benefiting charities).

TESTIMONIAL from Participant Martin W. Brauns: "In my opinion, the Colorado Grand is the finest vintage rally/tour in our country and perhaps even the world. And no, I haven't done them all. But I have done the Mille Miglia in Italy, the California Mille, and several other lesser events; I have a frame of reference. The Colorado Grand is the finest event of its kind. No question."

MORE CLUB NEWS

MEEKER LIONS — A MOST ACTIVE CLUB

Secretary Bernie Gantt shares a Citizen of the Year nomination because it also pretty much sums up what the club means to the Meeker community.

Bill Jordan has been the life and soul of the Meeker Lions club for over 45 years! Why is this important? Because he has pretty much personally organized and ensured that every event that the Lions club is involved in has gone off without a hitch. How many events are we talking about?

Thursday night Rodeos – for past 3 years. He has not missed a one. This event enables Kris Casey's Closeup Students to earn funds allowing them to participate in the annual Washington DC Trip.

Rangecall – as you know, Rangecall has several events spread over 3 or 4 days that the Lions have served food and alcohol to spectators for many years. Bill has not missed a one. His sage advice, experience, and organizational skills are instrumental in ensuring that each event is properly "covered" and the Lions are well represented.

Annual Fireman's dinner – This year it was a BBQ in the park and again Bill was the key person in serving over 80 of the community's Firefighters, First Responders, and their families.

Annual Police Night Out – Again Bill has been the primary go to guy in ensuring this happens each year. This year the Lions served over 20 Police Officers and 125 members of the community at a free BBQ dinner in the Park.

Dedication of the newly renovated Circle Park – In coordination with the ERBM, Meeker Lions served BBQ lunch to over 250 Meeker residents at a party held at Circle Park. And again, Bill was the driving force behind the scenes.

WREA annual customer appreciation luncheon - What an amazing event. In coordination with the Chamber of Commerce and the WREA employees, the Meeker Lions Club, served lunch to over 640 "customers". Bill was the guy who got it done!

Meeker Classic Jammin Lam Festival – Each year on the Saturday of the Meeker Classic Dog Trials, the Jammin Lam event is held on the Court House lawn. The Meeker Lions club supports this event with the sale of beverages as well as preparing and serving food. This year, even with the rainout it was a huge event and attracted many residents as well as visitors into the Meeker area. You guessed it, Bill is always "the man" when the Lions look for advice and guidance on this event.

Christmas with Santa – Bill is the primary advocate and volunteer for this.

Ice Fishing Day at Lake Avery – Yep, even in 5 degree weather in January, Bill is out there with the other Lions Club members along with the DOW and ERBM serving a BBQ lunch to participants from the Meeker area.

Meeker Mustang Makeover – There are three events that have the potential to put Meeker on the map each year. The MMM being one of them. The Lions club spends hundreds of hours in the preparation and serving of food for the dinner and the event. Of course, Bill is in the middle of it all with his sage advice and quiet words of wisdom.

Skijoring – Yep, another huge and upcoming event to keep Meeker thriving in the entertainment business. Once again, the Lions Club is there for the two day event with warm drinks and food for spectators and contestants. And Bill is coordinating it all.

Rocky Mountain Elk Foundation Banquet - Each year this event is held in Meeker and has a huge turnout. This year over 300 attendees. The Meeker Lions Club assists the Board with the serving of beverages of all kinds. I repeat myself, Bill is there front and center.

R-100 Archery shoot – For the past 3 years the R-100 organization has come to Meeker sponsored by the Meeker Sportsmen's Club. During this 2 ½ day event the Lions club has endured the heat and dust to serve breakfast and lunch to the shooters. As always, Bill was there and running the show!

Colorado Grand Car Rally – Every other year this event is held in Meeker where car enthusiasts who own multi-million dollar vintage cars bring their cars to Meeker for a short pit stop. This year the Lions Club Partnered with the Hope West folks to serve a magnificent lunch to over 260 drivers, their support crews, as well as numerous Colorado State Patrol Officers and RBC Sheriff Officers who escorted the vehicles. This luncheon resulted in the Meeker Lions Club receiving a donation of \$14,000 from the Colorado Grand. The Hope West folks are submitting a grant request for similar donation in equipment / funding at the Pioneers Hospital.

EAGLE LIONS CLUB VIRTUAL FUNDRAISER

Covid has changed many of the ways we all do things. The Eagle Lions Club has established an on-line fundraiser to raise funds strictly for KidSight expenses and buying glasses for our kids. You can find it on this website:

<https://eagle-lions-club.terrylynn.com/>

Please share this URL and encourage folks to take advantage of this. Great products, and free shipping to anywhere in the lower 48 with an order of \$30 or more. The nuts, candy, and mixes are delicious

NEW CASTLE "SERVES"

New Castle Lions serves an annual Thanksgiving Dinner to the community. This year, it was a "take-out" effort and quite successful with more than 150 meals served. Check out more photos and news on their FB page: www.facebook.com/groups/199756577191620

HOTCHKISS STAYS ACTIVE

Hotchkiss Lions, as well as other Delta County Lions participated at their local super-markets in a "Stock the Shelves" event, collecting food for the local hungry. They filled up the bed and cab of a pickup, as well as a car. What a generous community! Bell-ringing is coming up.

Donating to Abraham Connection (homeless shelter), highway cleanup, successful concessions at the fair, cabinet meeting attendance, and KidSight screening have also kept members busy into the fall months.
